Mahmood

During lockdown all classes are streamed online only

The census is taking place in March 2021.

It's a survey that happens every 10 years and gives us a picture of all the people and households in England and Wales. It helps plan and fund public services, like transport, education and healthcare.

By taking part and encouraging others to do the same, you'll help make sure you and your community get the services you need.

Nearer the time, you'll receive more information. There'll be plenty of help to take part for people who need it.

Find out more at www.census.gov.uk
